Rebuild Application Tips and Policy Links

Please see below for tips on submitting a rebuild application and links to specific HOA policies.

This page will be updated if more policies are approved. If there is not a specific link to a subject and you have a question, please email manager@rockcreekhoa.com.

A homeowner can choose to submit ACC applications for rebuilding using either the [printed form](#) or [online form](#).

In applying for ACC approval for rebuilding, certain items must be submitted initially and others may be submitted at a later date.

Required on Initial Request

The Items below need to be included in the initial ACC rebuild application:
